

# CREATIVE KIDS REBATE PROGRAM

The Creative Kids Rebate program is offering parents/guardians the opportunity to apply for a \$100 voucher to use for creative and cultural learning activities outside of the school curriculum from 2019.

Creative Kids is a new NSW Government initiative which takes its lead from the hugely successful Active Kids program.

## What is the Creative Kids Rebate Program?

The Creative Kids program will help more young people access important learning opportunities across a range of creative activities.

## What can I receive?

Parents will be able to claim up to \$100 per school child per calendar year. The \$100 voucher can be used towards the cost of participation in or tuition fees for activities such as music lessons, drama and theatre, language classes, visual arts, coding and design.

Every NSW school student will be eligible for a \$100 Creative Kids voucher as well as a \$100 Active Kids voucher.

## Who is eligible to claim the voucher?

Every family in NSW with a child enrolled in school from Kindergarten to Year 12 will be eligible. One voucher will be available for every child annually over the next four years.

There will be no limit on the number of applications per family, as long as every child is enrolled in school.

The Creative Kids program will start in January 2019. The Active Kids and Creative Kids vouchers will be available via the Service NSW website or you can go into your Service Centre and staff will assist you at the self service kiosks.
