

Every minute counts...

When your child misses..

10 minutes a day

Equals **50 minutes** of learning each week

Which is nearly **one and a half weeks** a year

Which is nearly **six months** of school between K-12.

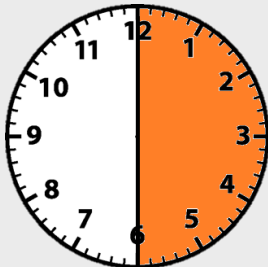

20 minutes a day

Equals **100 minutes** of learning each week

Which is nearly **two and a half weeks** a year

Which is nearly **one year** of school between K-12.

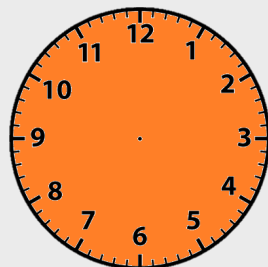

Half an hour a day

Equals **half a day** of learning each week

Which is **four weeks** a year

Which is nearly **one and a half years** of school between K-12.

One hour a day

Equals **one whole day** of learning each week

Which is **eight weeks** per year, or nearly **a whole term** per year

Which is over **two and a half years** of learning between K-12.

The best learning time for your child is during the **beginning of the day.**

At CCSC, school starts at **8:45am**
