### **Communication at Chifley College Shalvey Campus**

Dear Parents/Carers,

Our school is an exciting and busy place to be. There is always so much happening both inside and outside of the classroom. By using social media, Shalvey Campus has the opportunity to control our digital reputation and build a positive profile online. With this in mind, we aim to keep you as informed and up to date as we can through various means of communication which are outlined below.

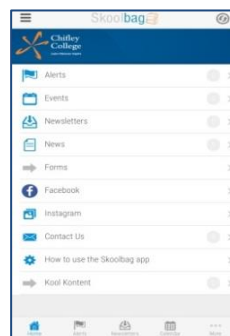

**School Newsletter:** Our newsletter is produced twice a term. The newsletter which contains information and news events is mailed home to parents/carers and is also uploaded to our school website where it can be viewed digitally.

**School Website:** You can find our website at <http://www.shalvey-h.schools.nsw.edu.au/>. On our website you can access our school calendar, subject and extra-curricular program information as well as general school information.

**School App:** Our school app is available for free, for all smartphones and tablets from the App Store and Google Play Store – just search Shalvey Campus. On our app you can update valuable student information under 'Forms' as well as provide absence notes. Our app is also used to send out key reminders, post announcements and events and some notes.

**Facebook:** Our school Facebook page is used to celebrate student achievement and showcase many of the exciting things taking place at Shalvey Campus. We may use our page to post announcements or reminders. You can locate our page by searching Chifley College Shalvey Campus – Official on Facebook.

**Instagram:** Our school Instagram account is used to share photos and videos of school events and day-to-day life at Shalvey Campus to inform parents and community of exciting events as they happen. You can locate our page at <https://www.instagram.com/ccshalveycampus/> or 'ccshalveycampus' on the app.
